Influence Quotient: 92/100

Overall Evaluation Summary

Qualitative Analysis - Positive

- You successfully outlined your strong academic background and clear professional goals
- The mention of your proactive involvement in extracurricular activities and initiative 'BeyondMess' reflects entrepreneurial spirit and leadership qualities
- Your honest acknowledgement of the need for expertise and experiences for achieving future goals shows maturity and realistic approach

Qualitative Analysis - Areas of Improvement

- You could have further clarified the relevance of your MTech degree and the specific skills it offers to your career goal

- While discussing your leadership and technical capabilities, adding specific examples or accomplishments would enhance their credibility
- Details about your role as a sports secretary in the student council and the responsibilities you handled were missing
- Instead of asking the viewers to search for 'BeyondMess' online, briefly explaining the concept would have been helpful
- Although reading case studies and watching TED Talks are good activities, it would have been better to explain how they contributed to your personal or professional growth
